PARENTAL INVOLVEMENT

- Punctuality on school days – Be in the school by 7.20am for morning assembly
- Support your son in his learning of social-emotional competencies and values

Family Time

Family Time activities are designed to give families the opportunities to be involved with their children's education throughout the primary school years.

Through active dialoguing, bonding and continuous feedback, students are encouraged to reflect on their progress with their family members to glean insights on what might or might not work for them and help them to develop towards their best selves.

Thank You!
